The SMMoA Volunteer Program provides contemporary art education, experience, and resource materials to participants in exchange for their time, commitment, and enthusiastic support for the museum. SMMoA relies on our generous volunteers to assist in the preparation, organization, and presentation of exhibitions and special events, and to participate in SMMoA's outreach to the community. SMMoA is looking for people who have a passion for contemporary art. We encourage volunteers to ask questions, get involved, and enjoy interacting with our museum visitors.

Volunteer requirements:

- Based on a schedule that reflects the needs of both the museum and the individual, the volunteer may choose from two basic commitments:
 - Event-Only- usually during the evenings once or twice a month
 - Weekly- minimum of two days a week during office hours
- Museum volunteers are treated as part of the staff and are therefore required to be responsible for their shifts; volunteers must alert the museum staff of any schedule changes.
- We ask that all volunteers be at least 16 years of age.

Extra Benefits:

- Free Individual membership (\$55 value) after 3 months or 30 hours of service
- One free meal at the Bergamot Café
- Private guided tours with exhibition curators
- The opportunity to closely engage with a vibrant arts community and to work with artists and art professionals
